**Common Interest Community Board**

**§ 54.1-2345. Definitions.**

As used in this chapter, unless the context requires a different meaning:

"Association" includes condominium, cooperative, or property owners' associations.

"Board" means the Common Interest Community Board.

"Common interest community" means real estate subject to a declaration containing lots, at least some of which are residential or occupied for recreational purposes, and common areas to which a person, by virtue of the person's ownership of a lot subject to that declaration, is a member of the association and is obligated to pay assessments of common expenses, provided that for the purposes of this chapter only, a common interest community does not include any time-share project registered pursuant to the Virginia Real Estate Time-Share Act (§ 55.1-2200 et seq.) or any additional land that is a part of such registration. "Common interest community" does not include an arrangement described in § 54.1-2345.1.

"Common interest community manager" means a person or business entity, including a partnership, association, corporation, or limited liability company, that, for compensation or valuable consideration, provides management services to a common interest community.

"Declaration" means any instrument, however denominated, recorded among the land records of the county or city in which the development or any part thereof is located, that either (i) imposes on the association maintenance or operational responsibilities for the common area as a regular annual assessment or (ii) creates the authority in the association to impose on lots, or on the owners or occupants of such lots, or on any other entity any mandatory payment of money as a regular annual assessment in connection with the provision of maintenance or services or both for the benefit of some or all of the lots, the owners or occupants of the lots, or the common area. "Declaration" includes any amendment or supplement to the instruments described in this definition.

"Governing board" means the governing board of an association, including the executive organ of a condominium unit owners' association, the executive board of a cooperative

proprietary lessees' association, and the board of directors or other governing body of a property owners' association.

"Lot" means (i) any plot or parcel of land designated for separate ownership or occupancy shown on a recorded subdivision plat for a development or the boundaries of which are described in the declaration or in a recorded instrument referred to or expressly contemplated by the declaration, other than a common area, and (ii) a unit in a condominium association or a unit in a real estate cooperative.

"Management services" means (i) acting with the authority of an association in its business, legal, financial, or other transactions with association members and nonmembers; (ii) executing the resolutions and decisions of an association or, with the authority of the association, enforcing the rights of the association secured by statute, contract, covenant, rule, or bylaw; (iii) collecting, disbursing, or otherwise exercising dominion or control over money or other property belonging to an association; (iv) preparing budgets, financial statements, or other financial reports for an association; (v) arranging, conducting, or coordinating meetings of an association or the governing body of an association; (vi) negotiating contracts or otherwise coordinating or arranging for services or the purchase of property and goods for or on behalf of an association; or (vii) offering or soliciting to perform any of the aforesaid acts or services on behalf of an association.

### **§ 54.1-2345.1. Certain real estate arrangements and covenants not deemed to constitute a common interest community.**

A. An arrangement between the associations for two or more common interest communities to share the costs of real estate taxes, insurance premiums, services, maintenance, or improvements of real estate, or other activities specified in their arrangement or declarations does not create a separate common interest community, or an arrangement between an association and the owner of real estate that is not part of a common interest community to share the costs of real estate taxes, insurance premiums, services, maintenance, or improvements of real estate, or other activities specified in their arrangement does not create a separate common interest community. Assessments against the lots in the common interest community required by such arrangement shall be included in the periodic budget for the common interest community, and the arrangement shall be disclosed in all required public offering statements and disclosure packets.

B. A covenant requiring the owners of separately owned parcels of real estate to share costs or other obligations associated with a party wall, driveway, well, or other similar use does not create a common interest community unless the owners otherwise agree to create such community.

**§ 54.1-2346. License required; certification of employees; renewal; provisional license.**

A. Unless exempted by § 54.1-2347, any person, partnership, corporation, or other entity offering management services to a common interest community on or after January 1, 2009, shall hold a valid license issued in accordance with the provisions of this article prior to engaging in such management services.

B. Unless exempted by § 54.1-2347, any person, partnership, corporation, or other entity offering management services to a common interest community without being licensed in accordance with the provisions of this article shall be subject to the provisions of § 54.1-111.

C. On or after July 1, 2012, it shall be a condition of the issuance or renewal of the license of a common interest community manager that all employees of the common interest community manager who have principal responsibility for management services provided to a common interest community or who have supervisory responsibility for employees who participate directly in the provision of management services to a common interest community shall, within two years after employment with the common interest community manager, hold a certificate issued by the Board certifying the person possesses the character and minimum skills to engage properly in the provision of management services to a common interest community or shall be under the direct supervision of a certified employee of such common interest community manager. A common interest community manager shall notify the Board if a certificated employee is discharged or in any way terminates his active status with the common interest community manager.

D. It shall be a condition of the issuance or renewal of the license of a common interest community manager that the common interest community manager shall obtain and maintain a blanket fidelity bond or employee dishonesty insurance policy insuring the common interest community manager against losses resulting from theft or dishonesty committed by the officers, directors, and persons employed by the common interest community manager. Such bond or insurance policy shall include coverage for losses of clients of the common interest community manager resulting from theft or dishonesty committed by the officers, directors, and persons employed by the common interest community manager. Such bond or insurance policy shall provide coverage in an amount equal to the lesser of \$2 million or the highest aggregate amount of the operating and reserve balances of all associations under the control of the common interest community manager during the prior fiscal year. The minimum coverage amount shall be \$10,000.

E. It shall be a condition of the issuance or renewal of the license of a common interest community manager that the common interest community manager certifies to the Board (i) that the common interest community manager is in good standing and authorized to transact business in Virginia; (ii) that the common interest community manager has established a code of conduct for the officers, directors, and persons employed by the common interest community manager to protect against conflicts of interest; (iii) that the common interest community manager provides all management services pursuant to written contracts with the

## 4 Common Interest Communities

associations to which such services are provided; (iv) that the common interest community manager has established a system of internal accounting controls to manage the risk of fraud or illegal acts; and (v) that an independent certified public accountant reviews or audits the financial statements of the common interest community manager at least annually in accordance with standards established by the American Institute of Certified Public Accountants or by any successor standard-setting authorities.

### **§ 54.1-2347. Exceptions and exemptions generally.**

A. The provisions of this article shall not be construed to prevent or prohibit:

1. An employee of a duly licensed common interest community manager from providing management services within the scope of the employee's employment by the duly licensed common interest community manager;
2. An employee of an association from providing management services for that association's common interest community;
3. A resident of a common interest community acting without compensation from providing management services for that common interest community;
4. A resident of a common interest community from providing bookkeeping, billing, or recordkeeping services for that common interest community for compensation, provided the blanket fidelity bond or employee dishonesty insurance policy maintained by the association insures the association against losses resulting from theft or dishonesty committed by such person;
5. A member of the governing board of an association acting without compensation from providing management services for that association's common interest community;
6. A person acting as a receiver or trustee in bankruptcy in the performance of his duties as such or any person acting under order of any court from providing management services for a common interest community;

10. An association, exchange agent, exchange company, managing agent, or managing entity of a time-share project registered pursuant to the Virginia Real Estate Time-Share Act (§ 55.1-2200 et seq.) from providing management services for such time-share project.

B. A licensee of the Board shall comply with the Board's regulations, notwithstanding the fact that the licensee would be otherwise exempt from licensure under subsection A. Nothing in this subsection shall be construed to require a person to be licensed in accordance with this article if he would be otherwise exempt from such licensure.

**§ 54.1-2348. Common Interest Community Board; membership; meetings; quorum.**

There is hereby created the Common Interest Community Board (the Board) as a policy board, within the meaning of § 2.2-2100, in the executive branch of state government. The form shall include information on the following, which may or may not be applicable to a particular common interest community: (i) the obligation on the part of an owner to pay regular annual or special assessments to the association; (ii) the penalty for failure or refusal to pay such assessments; (iii) the purposes for which such assessments, if any, may be used, including for the construction or maintenance of stormwater management facilities; (iv) the importance the declaration of restrictive covenants or condominium instruments, as applicable, and other governing documents play in association living; (v) limitations on an owner's ability to rent his lot or unit; (vi) limitations on an owner's ability to park or store certain types of motor vehicles or boats within the common interest community; (vii) limitations on an owner's ability to maintain an animal as a pet within the lot or unit, or in common areas or common elements; (viii) architectural guidelines applicable to an owner's lot or unit; (ix) limitations on an owner's ability to operate a business within a dwelling unit on a lot or within a unit; (x) the period or length of declarant control; and (xi) that the purchase contract for a lot within an association is a legally binding document once it is signed by the prospective purchaser where the purchaser has not elected to cancel the purchase contract in accordance with law. The form shall also provide that (a) the purchaser remains responsible for his own examination of the materials that constitute the resale certificate or disclosure packet and of any table of contents that may be contained therein; (b) the purchaser shall carefully review the entire resale certificate or disclosure packet; and (c) the contents of the resale certificate or disclosure packet shall control to the extent that there are any inconsistencies between the form and the resale certificate or disclosure packet.

### **§ 54.1-2351. General powers and duties of Board concerning associations.**

A. The Board may adopt, amend, and repeal rules and regulations and issue orders consistent with and in furtherance of the objectives of this article, but the Board may not intervene in the internal activities of an association except to the extent necessary to prevent or cure violations of this article or of the chapter pursuant to which the association is created. The Board may prescribe forms and procedures for submitting information to the Board.

B. If it appears that any governing board has engaged, is engaging, or is about to engage in any act or practice in violation of this article, the Property Owners' Association Act (§ 55.1-1800 et seq.), the Virginia Condominium Act (§ 55.1-1900 et seq.), the Virginia Real Estate Cooperative Act (§ 55.1-2100 et seq.), or the Virginia Real Estate Time-Share Act (§ 55.1-2200 et seq.), or any of the Board's regulations or orders, the Board without prior administrative proceedings may bring an action in the appropriate court to enjoin that act or practice or for other appropriate relief. The Board is not required to post a bond or prove that no adequate remedy at law exists.

C. The Board may intervene in any action involving a violation by a declarant or a developer of a time-share project of this article, the Property Owners' Association Act (§ 55.1-1800 et seq.), the Virginia Condominium Act (§ 55.1-1900 et seq.), the Virginia Real Estate Cooperative Act (§ 55.1-2100 et seq.), or the Virginia Real Estate Time-Share Act (§ 55.1-2200 et seq.), or any of the Board's regulations or orders.

D. The Board may accept grants-in-aid from any governmental source and may contract with agencies charged with similar functions in this or other jurisdictions in furtherance of the objectives of this article.

E. The Board may cooperate with agencies performing similar functions in this and other jurisdictions to develop uniform filing procedures and forms, uniform disclosure standards, and uniform administrative practices, and may develop information that may be useful in the discharge of the Board's duties.

F. In issuing any cease and desist order, the Board shall state the basis for the adverse determination and the underlying facts.

G. Without limiting the remedies that may be obtained under this article, the Board, without compliance with the Administrative Process Act (§ 2.2-4000 et seq.), shall have the authority to enforce the provisions of this section and may institute proceedings in equity to enjoin any person, partnership, corporation, or any other entity violating this article, the Property Owners' Association Act (§ 55.1-1800 et seq.), the Virginia Condominium Act (§ 55.1-1900 et seq.), the Virginia Real Estate Cooperative Act (§ 55.1-2100 et seq.), or the Virginia Real Estate Time-Share Act (§ 55.1-2200 et seq.), or any of the Board's regulations or orders. Such proceedings shall be brought in the name of the Commonwealth by the Board in the circuit court or general district court of the city or county in which the unlawful act occurred or in which the defendant resides.

H. The Board may assess a monetary penalty to be paid to the Common Interest Community Management Information Fund of not more than \$1,000 per violation against any governing board that violates any provision of this article, the Property Owners' Association Act (§ 55.1-1800 et seq.), the Virginia Condominium Act (§ 55.1-1900 et seq.), the Virginia Real Estate Cooperative Act (§ 55.1-2100 et seq.), or the Virginia Real Estate Time-Share Act (§ 55.1-2200 et seq.), or any of the Board's regulations or orders. In determining the amount of the penalty, the Board shall consider the degree and extent of harm caused by the violation. No

monetary penalty may be assessed under this article, the Property Owners' Association Act (§ 55.1-1800 et seq.), the Virginia Condominium Act (§ 55.1-1900 et seq.), the Virginia Real Estate Cooperative Act (§ 55.1-2100 et seq.), or the Virginia Real Estate Time-Share Act (§ 55.1-2200 et seq.), or any of the Board's regulations or orders unless the governing board has been given notice and an opportunity to be heard pursuant to the Administrative Process Act (§ 2.2-4000 et seq.). The penalty may be sued for and recovered in the name of the Commonwealth.

**§ 54.1-2352. Cease and desist orders.**

A. The Board may issue an order requiring the governing board of the association to cease and desist from the unlawful practice and to take such affirmative action as in the judgment of the Board will carry out the purposes of this article, if the Board determines after notice and hearing that the governing board of an association has:

1. Violated any statute or regulation of the Board governing the association regulated pursuant to this article, including engaging in any act or practice in violation of this article, the Property Owners' Association Act (§ 55.1-1800 et seq.), the Virginia Condominium Act (§ 55.1-1900 et seq.), the Virginia Real Estate Cooperative Act (§ 55.1-2100 et seq.), or the Virginia Real Estate Time-Share Act (§ 55.1-2200 et seq.), or any of the Board's regulations or orders;
2. Failed to register as an association or to file an annual report as required by statute or regulation;
3. Materially misrepresented facts in an application for registration or an annual report; or
4. Willfully refused to furnish the Board information or records required or requested pursuant to statute or regulation.

B. If the Board makes a finding of fact in writing that the public interest will be irreparably harmed by delay in issuing an order, it may issue a temporary order to cease and desist or to take such affirmative action as may be deemed appropriate by the Board. Prior to issuing the temporary order, the Board shall give notice of the proposal to issue a temporary order to the person. Every temporary order shall include in its terms a provision that upon request a hearing will be held promptly to determine whether or not it becomes permanent.

**§ 54.1-2353. Protection of the interests of associations; appointment of receiver for common interest community manager.**

A. A common interest community manager owes a fiduciary duty to the associations to which it provides management services with respect to the manager's handling the funds or the records of each association. All funds deposited with the common interest community manager shall be handled in a fiduciary capacity and shall be kept in a separate fiduciary trust account or accounts in an FDIC-insured financial institution separate from the assets of the common interest community manager. The funds shall be the property of the association and

shall be segregated for each depository in the records of the common interest community manager in a manner that permits the funds to be identified on an association basis. All records having administrative or fiscal value to the association that a common interest community manager holds, maintains, compiles, or generates on behalf of a common interest community are the property of the association. A common interest community manager may retain and dispose of association records in accordance with a policy contained in the contract between the common interest community manager and the association. Within a reasonable time after a written request for any such records, the common interest community manager shall provide copies of the requested records to the association at the association's expense. The common interest community manager shall return all association records that it retains and any originals of legal instruments or official documents that are in the possession of the common interest community manager to the association within a reasonable time after termination of the contract for management services without additional cost to the association. Records maintained in electronic format may be returned in such format.

B. If the Board has reasonable cause to believe that a common interest community manager is unable to properly discharge its fiduciary responsibilities to an association to which it provides management services, the Board may submit an ex parte petition to the circuit court of the city or county wherein the common interest community manager maintains an office or is doing business for the issuance of an order authorizing the immediate inspection by and production to representatives of the petitioner of any records, documents, and physical or other evidence belonging to the subject common interest community manager. The court may issue such order without notice to the common interest community manager if the petition, supported by affidavit of the petitioner and such other evidence as the court may require, shows reasonable cause to believe that such action is required to prevent immediate loss of property of one or more of the associations to which the subject common interest community manager provides management services. The court may also temporarily enjoin further activity by the common interest community manager and take such further action as shall be necessary to conserve, protect, and disburse the funds involved, including the appointment of a receiver. The papers filed with the court pursuant to this subsection shall be placed under seal.

C. If the Board has reasonable cause to believe that a common interest community manager is unable to properly discharge its fiduciary responsibilities to an association to which it provides management services, the Board may file a petition with the circuit court of the county or city wherein the subject common interest community manager maintains an office or is doing business. The petition may seek the following relief: (i) an injunction prohibiting the withdrawal of any bank deposits or the disposition of any other assets belonging to or subject to the control of the subject common interest community manager and (ii) the appointment of a receiver for all or part of the funds or property of the subject common interest community manager. The subject common interest community manager shall be given notice of the time and place of the hearing on the petition and an opportunity to offer evidence. The court, in its discretion, may require a receiver appointed pursuant to this section to post bond, with or without surety. The papers filed with the court under this subsection shall be placed under seal until such time as the court grants an injunction or appoints a receiver. The court

## 12 Common Interest Communities

may issue an injunction, appoint a receiver, or provide such other relief as the court may consider proper if, after a hearing, the court finds that such relief is necessary or appropriate to prevent loss of property of one or more of the associations to which the subject common interest community manager provides management services.

D. In any proceeding under subsection C, any person or entity known to the Board to be indebted to or having in his possession property, real or personal, belonging to or subject to the control of the subject common interest community manager's business and which property the Board reasonably believes may become part of the receivership assets shall be served with a copy of the petition and notice of the time and place of the hearing.

E. The court shall describe the powers and duties of the receiver in its appointing order, which may be amended from time to time. The receiver shall, unless otherwise ordered by the court in the appointing order, (i) prepare and file with the Board a list of all associations managed by the subject common interest community manager; (ii) notify in writing all of the associations to which the subject common interest community manager provides management services of the appointment and take whatever action the receiver deems appropriate to protect the interests of the associations until such time as the associations have had an opportunity to obtain a successor common interest community manager; (iii) facilitate the transfer of records and information to such successor common interest community manager; (iv) identify and take control of all bank accounts, including without limitation trust and operating accounts, over which the subject common interest community manager had signatory authority in connection with its management business; (v) prepare and submit an accounting of receipts and disbursements and account balances of all funds under the receiver's control for submission to the court within four months of the appointment and annually thereafter until the receivership is terminated by the court; (vi) attempt to collect any accounts receivable related to the subject common interest community manager's business; (vii) identify and attempt to recover any assets wrongfully diverted from the subject common interest community manager's business, or assets acquired with funds wrongfully diverted from the subject common interest community manager's business; (viii) terminate the subject common interest community manager's business; (ix) reduce to cash all of the assets of the subject common interest community manager; (x) determine the nature and amount of all claims of creditors of the subject common interest community manager, including associations to which the subject common interest community manager provided management services; and (xi) prepare and file with the court a report of such assets and claims proposing a plan for the distribution of funds in the receivership to such creditors in accordance with the provisions of subsection F.

F. Upon the court's approval of the receiver's report referenced in subsection E, at a hearing after such notice as the court may require to creditors, the receiver shall distribute the assets of the common interest community manager and funds in the receivership first to clients whose funds were or ought to have been held in a fiduciary capacity by the subject common interest community manager, then to the receiver for fees, costs, and expenses awarded pursuant to subsection G, and thereafter to the creditors of the subject common interest

community manager, and then to the subject common interest community manager or its successors in interest.

G. A receiver appointed pursuant to this section shall be entitled, upon proper application to the court in which the appointment was made, to recover an award of reasonable fees, costs, and expenses. If there are not sufficient nonfiduciary funds to pay the award, then the shortfall shall be paid by the Common Interest Community Management Recovery Fund as a cost of administering the Fund pursuant to § 54.1-2354.5, to the extent that the said Fund has funds available. The Fund shall have a claim against the subject common interest community manager for the amount paid.

H. The court may determine whether any assets under the receiver's control should be returned to the subject common interest community manager.

I. If the Board shall find that any common interest community manager is insolvent, that its merger into another common interest community manager is desirable for the protection of the associations to which such common interest community manager provides management services, and that an emergency exists, and, if the board of directors of such insolvent common interest community manager shall approve a plan of merger of such common interest community manager into another common interest community manager, compliance with the requirements of § 13.1-718 shall be dispensed with as to such insolvent common interest community manager and the approval by the Board of such plan of merger shall be the equivalent of approval by the holders of more than two-thirds of the outstanding shares of such insolvent common interest community manager for all purposes of Article 12 (§ 13.1-715.1 et seq.) of Chapter 9 of Title 13.1. If the Board finds that a common interest community manager is insolvent, that the acquisition of its assets by another common interest community manager is in the best interests of the associations to which such common interest community manager provides management services, and that an emergency exists, it may, with the consent of the boards of directors of both common interest community managers as to the terms and conditions of such transfer, including the assumption of all or certain liabilities, enter an order transferring some or all of the assets of such insolvent common interest community manager to such other common interest community manager, and no compliance with the provisions of §§ 13.1-723 and 13.1-724 shall be required, nor shall §§ 13.1-730 through 13.1-741 be applicable to such transfer. In the case either of such a merger or of such a sale of assets, the Board shall provide that prompt notice of its finding of insolvency and of the merger or sale of assets be sent to the stockholders of record of the insolvent common interest community manager for the purpose of providing such shareholders an opportunity to challenge the finding that the common interest community manager is insolvent. The relevant books and records of such insolvent common interest community manager shall remain intact and be made available to such shareholders for a period of 30 days after such notice is sent. The Board's finding of insolvency shall become final if a hearing before the Board is not requested by any such shareholder within such 30-day period. If, after such hearing, the Board finds that such common interest community manager was solvent, it shall rescind its order entered pursuant to this subsection and the merger or transfer of assets shall be rescinded. But

if, after such hearing, the Board finds that such common interest community manager was insolvent, its order shall be final.

J. The provisions of this article are declared to be remedial. The purpose of this article is to protect the interests of associations adversely affected by common interest community managers who have breached their fiduciary duty. ### **§ 54.1-2354. Variation by agreement.**

Except as expressly provided in this article, provisions of this article may not be varied by agreement, and rights conferred by this article may not be waived. #### **§ 54.1-2354.1. Definitions.**

As used in this article, unless the context requires a different meaning:

"Balance of the fund" means cash, securities that are legal investments for fiduciaries under the provisions of subdivisions A 1, 2, and 4 of § 2.2-4519, and repurchase agreements secured by obligations of the United States government or any agency thereof, and shall not mean accounts receivable, judgments, notes, accrued interest, or other obligations to the fund.

"Claimant" means upon proper application to the Director, a receiver for a common interest community manager appointed pursuant to § 54.1-2353 in those cases in which there are not sufficient funds to restore all funds that were or ought to have been held in a fiduciary capacity by the subject common interest community manager or to pay an award of reasonable fees, costs, and expenses to the receiver.

"Director" means the Director of the Department of Professional and Occupational Regulation.

**§ 54.1-2354.2. Common Interest Community Management Information Fund.**

A. There is hereby created the Common Interest Community Management Information Fund, referred to in this section as "the Fund," to be used in the discretion of the Board to promote the improvement and more efficient operation of common interest communities through research and education. The Fund shall be established on the books of the Comptroller. The Fund shall consist of money paid into it pursuant to §§ 54.1-2349, 55.1-1835, 55.1-1980, and 55.1-2182, and such money shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but, at the discretion of the Board, shall remain in the Fund or shall be transferred to the Common Interest Community Management Recovery Fund established pursuant to § 54.1-2354.5.

B. Expenses for the operations of the Office of the Common Interest Community Ombudsman, including the compensation paid to the Common Interest Community Ombudsman, shall be paid first from interest earned on deposits constituting the Fund and the balance from the moneys collected annually in the Fund. The Board may use the remainder of the interest earned on the balance of the Fund and of the moneys collected annually and deposited in the Fund for financing or promoting the following:

1. Information and research in the field of common interest community management and operation;
2. Expedient and inexpensive procedures for resolving complaints about an association from members of the association or other citizens;
3. Seminars and educational programs designed to address topics of concern to community associations; and
4. Other programs deemed necessary and proper to accomplish the purpose of this article.

C. Following the close of any biennium, when the Common Interest Community Management Information Fund shows expenses allocated to it for the past biennium to be more than 10 percent greater or less than moneys collected on behalf of the Board, the Board shall revise the fees levied by it for placement into the Fund so that the fees are sufficient but not excessive to cover expenses. A fee established pursuant to § 55.1-1835, 55.1-1980, or 55.1-2182 shall not exceed \$25 unless such fee is based on the number of units or lots in the association.

**§ 54.1-2354.3. Common Interest Community Ombudsman; appointment; powers and duties.**

A. The Director in accordance with § 54.1-303 shall appoint a Common Interest Community Ombudsman (the Ombudsman) and shall establish the Office of the Common Interest Community Ombudsman (the Office). The Ombudsman shall be a member in good standing

in the Virginia State Bar. All state agencies shall assist and cooperate with the Office in the performance of its duties under this article.

### B. The Office shall:

1. Assist members in understanding rights and the processes available to them according to the laws and regulations governing common interest communities and respond to general inquiries;
2. Make available, either separately or through an existing website, information concerning common interest communities and such additional information as may be deemed appropriate;
3. Receive notices of final adverse decisions and may either (i) refer such decision to the Board for further review of whether such decision is in conflict with laws or Board regulations governing common interest communities or interpretations thereof by the Board or (ii) make a determination of whether a final adverse decision is in conflict with laws or Board regulations governing common interest communities or interpretations thereof by the Board and promptly notify the complainant of such determination. If the Office determines that such conflict exists, the Office shall promptly notify the governing board, and if applicable the common interest community manager, of the association that issued the final adverse decision that such decision is in conflict with laws or Board regulations governing common interest communities or interpretations thereof by the Board. If within 365 days of issuing such determination the Ombudsman receives a subsequent notice of final adverse decision for the same violation, the Office shall refer the matter to the Board;
4. Upon request, assist members in understanding the rights and processes available under the laws and regulations governing common interest communities and provide referrals to public and private agencies offering alternative dispute resolution services, with a goal of reducing and resolving conflicts among associations and their members;
5. Ensure that members have access to the services provided through the Office and that the members receive timely responses from the representatives of the Office to the inquiries;
6. Maintain data on inquiries received, referrals made to the Board, types of assistance requested, notices of final adverse decisions received, actions taken, and the disposition of each such matter;
7. Upon request to the Director by (i) any of the standing committees of the General Assembly having jurisdiction over common interest communities or (ii) the Housing Commission, provide to the Director for dissemination to the requesting parties assessments of proposed and existing common interest community laws and other studies of common interest community issues;
8. Monitor changes in federal and state laws relating to common interest communities;

9. Provide information to the Director that will permit the Director to report annually on the activities of the Office of the Common Interest Community Ombudsman to the standing committees of the General Assembly having jurisdiction over common interest communities and to the Housing Commission. The Director's report shall be filed by December 1 of each year and shall include a summary of significant new developments in federal and state laws relating to common interest communities each year; and
10. Carry out activities as the Board determines to be appropriate.

**§ 54.1-2354.4. Association complaint procedures; final adverse decisions; certificate of registration.**

A. The Board shall establish by regulation a requirement that each association shall establish reasonable procedures for the resolution of written complaints from the members of the association and other citizens. Each association shall adhere to the written procedures established pursuant to this subsection when resolving association member and citizen complaints. The procedures shall include the following:

1. A record of each complaint shall be maintained for no less than one year after the association acts upon the complaint.

2. Such association shall provide complaint forms or written procedures to be given to persons who wish to register written complaints. The forms or procedures shall include the address and telephone number of the association or its common interest community manager to which complaints shall be directed and the mailing address, telephone number, and electronic mailing address of the Office. The forms and written procedures shall include a clear and understandable description of the complainant's right to give notice of adverse decisions pursuant to this section.

B. A complainant may give notice to the Ombudsman of any final adverse decision in accordance with regulations promulgated by the Board. The notice shall be filed within 30 days of the final adverse decision, shall be in writing on forms prescribed by the Board, shall include copies of all records pertinent to the decision, and shall be accompanied by a \$25 filing fee. The fee shall be collected by the Director and paid directly into the state treasury and credited to the Common Interest Community Management Information Fund pursuant to § 54.1-2354.2. The Board may, for good cause shown, waive or refund the filing fee upon a finding that payment of the filing fee will cause undue financial hardship for the member. The Ombudsman shall provide a copy of the written notice to the governing board, and if applicable the common interest community manager, of the association that made the final adverse decision.

C. The Director or his designee may request additional information concerning any notice of final adverse decision from the association that made the final adverse decision. The association shall provide such information to the Director within a reasonable time upon request. If the Director upon review determines that the final adverse decision may be in

conflict with laws or regulations governing common interest communities or interpretations thereof by the Board, the Director shall provide the complainant and the governing board, and if applicable the common interest community manager, of the association with information concerning such laws or regulations governing common interest communities or interpretations thereof by the Board. The determination of whether the final adverse decision may be in conflict with laws or regulations governing common interest communities or interpretations thereof by the Board shall be final and not subject to further review. If within 365 days of issuing a determination that an adverse decision is in conflict with laws or Board regulations governing common interest communities or interpretations thereof by the Board the Director receives a subsequent notice of final adverse decision for the same violation, the Director shall refer the repeat violation to the Board, which shall take action in accordance with § 54.1-2351 or 54.1-2352, as deemed appropriate by the Board.

### **§ 54.1-2354.5. Common Interest Community Management Recovery Fund.**

A. There is hereby created the Common Interest Community Management Recovery Fund, referred to in this section as "the Fund," to be used in the discretion of the Board to protect the interests of associations.

B. Each common interest community manager, at the time of initial application for licensure, and each association filing its first annual report after the effective date shall be assessed \$25, which shall be specifically assigned to the Fund. Initial payments may be incorporated in any application fee payment or annual filing fee and transferred to the Fund by the Director within 30 days.

All assessments, except initial assessments, for the Fund shall be deposited within three business days after their receipt by the Director, in one or more federally insured banks, savings and loan associations, or savings banks located in the Commonwealth. Funds deposited in banks, savings institutions, or savings banks in excess of insurance afforded by the Federal Deposit Insurance Corporation or other federal insurance agency shall be secured under the Virginia Security for Public Deposits Act (§ 2.2-4400 et seq.). The deposit of these funds in federally insured banks, savings and loan associations, or savings banks located in the Commonwealth shall not be considered investment of such funds for purposes of this section. Funds maintained by the Director may be invested in securities that are legal investments for fiduciaries under the provisions of § 64.2-1502.

Interest earned on the deposits constituting the Fund shall be used for administering the Fund. The remainder of this interest, at the discretion of the Board, may be transferred to the Common Interest Community Management Information Fund, established pursuant to § 54.1-2354.2, or accrue to the Fund.

C. On and after July 1, 2011, the minimum balance of the Fund shall be \$150,000. Whenever the Director determines that the principal balance of the Fund is or will be less than such minimum principal balance, the Director shall immediately inform the Board. At the same time, the Director may recommend that the Board transfer a fixed amount from the Common

Interest Community Management Information Fund to the Fund to bring the principal balance of the Fund to the amount required by this subsection. Such transfer shall be considered by the Board within 30 days of the notification of the Director.

D. If any such transfer of funds is insufficient to bring the principal balance of the Fund to the minimum amount required by this section, or if a transfer to the Fund has not occurred, the Board shall assess each association and each common interest community manager, within 30 days of notification by the Director, a sum sufficient to bring the principal balance of the Fund to the required minimum amount. The amount of such assessment shall be allocated among the associations and common interest community managers in proportion to each payor's most recently paid annual assessment, or if an association or common interest community manager has not paid an annual assessment previously, in proportion to the average annual assessment most recently paid by associations or common interest community managers, respectively. The Board may order an assessment at any time in addition to any required assessment. Assessments made pursuant to this subsection may be issued by the Board (i) after a determination made by it or (ii) at the time of license renewal.

Notice to common interest community managers and the governing boards of associations of these assessments shall be by first-class mail, and payment of such assessments shall be made by first-class mail addressed to the Director within 45 days after the mailing of such notice.

E. If any common interest community manager fails to remit the required payment within 45 days of the mailing, the Director shall notify the common interest community manager by first-class mail at the latest address of record filed with the Board. If no payment has been received by the Director within 30 days after mailing the second notice, the license shall be automatically suspended. The license shall be restored only upon the actual receipt by the Director of the delinquent assessment.

F. If any association fails to remit the required payment within 45 days of the mailing, the Director shall notify the association by first-class mail at the latest address of record filed with the Board. If no payment has been received by the Director within 30 days after mailing the second notice, it shall be deemed a knowing and willful violation of this section by the governing board of the association.

G. At the close of each fiscal year, whenever the balance of the Fund exceeds \$5 million, the amount in excess of \$5 million shall be transferred to the Virginia Housing Trust Fund established pursuant to Chapter 9 (§ 36-141 et seq.) of Title 36. Except for payments of costs as set forth in this article and transfers pursuant to this subsection, there shall be no transfers out of the Fund, including transfers to the general fund, regardless of the balance of the Fund.

H. A claimant may seek recovery from the Fund subject to the following conditions:

1. A claimant may file a verified claim in writing to the Director for a recovery from the Fund.

2. Upon proper application to the Director, in those cases in which there are not sufficient funds to pay an award of reasonable fees, costs, and expenses to the receiver or to restore all funds that were or ought to have been held in a fiduciary capacity by the subject common interest community manager, the Director shall report to the Board the amount of any shortfall to the extent that there are not sufficient funds (i) to pay any award of fees, costs, and expenses pursuant to subsection G of § 54.1-2353 by the court appointing the receiver; or (ii) to restore all funds that were or ought to have been held in a fiduciary capacity by the subject common interest community manager, as certified by the court appointing the receiver.

3. If the Board finds there has been compliance with the required conditions, the Board shall issue a directive ordering payment of the amount of such shortfall to the claimant from the Fund, provided that in no event shall such payment exceed the balance in the Fund. When the Fund balance is not sufficient to pay the aggregate amount of such shortfall, the Board shall direct that payment be applied first in satisfaction of any award of reasonable fees, costs, and expenses to the receiver and second to restore the funds that were or ought to have been held in a fiduciary capacity by the subject common interest community manager. If the Board has reason to believe that there may be additional claims against the Fund, the Board may withhold any payment from the Fund for a period of not more than one year. After such one-year period, if the aggregate of claims received exceeds the Fund balance, the Fund balance shall be prorated by the Board among the claimants and paid in the above payment order from the Fund in proportion to the amounts of claims remaining unpaid.

4. The Director shall, subject to the limitations set forth in this subsection, pay to the claimant from the Fund such amount as shall be directed by the Board upon the execution and delivery to the Director by such claimant of an assignment to the Board of the claimant's rights on its behalf and on behalf of the associations receiving distributions from the Fund against the common interest community manager to the extent that such rights were satisfied from the Fund.

5. The claimant shall be notified in writing of the findings of the Board. The Board's findings shall be considered a case decision as defined in § 2.2-4001, and judicial review of these findings shall be in accordance with § 2.2-4025 of the Administrative Process Act (§ 2.2-4000 et seq.).

6. Notwithstanding any other provision of law, the Board shall have the right to appeal a decision of any court that is contrary to any distribution recommended or authorized by it.

7. Upon payment by the Director to a claimant from the Fund as provided in this subsection, the Board shall immediately revoke the license of the common interest community manager whose actions resulted in payment from the Fund. The common interest community manager whose license was so revoked shall not be eligible to apply for a license as a common interest community manager until he has repaid in full the amount paid from the Fund on his account, plus interest at the judgment rate of interest from the date of payment from the Fund.

8. Nothing contained in this subsection shall limit the authority of the Board to take disciplinary action against any common interest community manager for any violation of statute or regulation, nor shall the repayment in full by a common interest community manager of the amount paid from the Fund on such common interest community manager's account nullify or modify the effect of any disciplinary proceeding against such common interest community manager for any such violation.
